TEEN OBESITY: HOW SCHOOLS CAN BE THE NUMBER ONE SOLUTION TO THE PROBLEM

"Dr. William Fibkins maps out a low-cost budget plan in which school personnel can actively promote a 'Circle of Wellness' in which all stakeholders work together to create conditions in schools so that all students are provided with the 'tools' of healthy living and are taught the skills that will help them maintain life-long wellness. Dr. Fibkins illuminates the problem of teenage obesity, and then he weaves a thoughtfully crafted solution to this very serious problem." —**Sharon I. Byrdsong, principal, Azalea Gardens Middle School, Norfolk, VA and NASSP principal of the year**

INNOCENCE DENIED: A GUIDE TO PREVENTING SEXUAL MISCONDUCT BY TEACHERS AND COACHES

Sexual misconduct does occur in many secondary schools, and in most cases the response is limited to warning teachers and coaches about the legal aspects and liabilities involved. This book provides step-by-step training procedures that can be used as part of the schools' staff development program to teach educators about the importance of setting boundaries. Real-life case studies documenting inappropriate teacher-student relationships are included.
